

# Own Your Home

## *Supporting Our Units That Call Resica Falls Home*

From the heart of Philadelphia to as far west as Oklahoma, we're proud that units from across the country call Resica Falls their home camp. We're excited to show our support to the units that have supported us year after year. The Own You Home program is designed to help our most loyal units experience the best camp has to offer. Own Your Home consists of 3 parts:

### ***Recognize Your Own***

We know that unit leaders are the glue that keeps units together. Units in the Own Your Home program will receive an additional free leader during their week in camp in 2024. Use this spot to recognize a leader in your unit that goes above and beyond!

---

### ***Make It Yours***

While we can all agree that summer camp is an amazing experience, it's also very personal. In 2024, participants in the Own Your Home program will be able to designate \$10 of their camp fee to one of 3 projects in camp, and in doing so support a part of camp that truly makes it yours. For 2024 these projects are:

**Save Tom the Toad!** Members of the Tom the Toad Marching & Hopping society should be more than familiar with our amphibious mascot's statue on the parade field. Unfortunately, it seems that Tom is on his last hop and is in need of dire repair. Money designated towards this project will ensure that Tom hops on for future generations of campers!

**Aim High!** In 2018 Resica Falls built an expanded Archery Range, bringing this popular area of camp up to the standards we've come to expect. This project will focus on expanding our offerings at archery to include a new throwing range designed with safety in mind.

**Support the Staff!** When it comes to projects in camp, improvements for our staff are often last on the list. Our camp staff sacrifice their priority to ensure every scout gets to experience a top-notch program. Money designated towards this project will support those that call camp home for 9 weeks a year by completing some much needed improvements to our staff area.

---

### ***Call It Home***

Help your scouts get comfortable calling camp home. Units participating in the Own Your Home program are invited to join us in camp for a free weekend of tent camping in the spring of 2024. Our campmasters will be happy to provide tours of camp and answer any of your questions. Bring your Webelos crossovers for this free weekend of camping to help them get more familiar with Resica Falls.

To participate in the Own Your Home program, your unit must have participated in summer camp at Resica Falls in 2023 and register for the 2024 summer by December 15, 2023.
